Getting to know each couple for who they are, and who they are together is at the root of my delivery, and carries over & throughout your special day.

As an Ordained Metaphysical Minister, I am acceptant of all faiths, and the unique lives of those who seek my assistance.

How to get started

◊I provide couples with a Complimentary Initial Consultation (1 of 4). This is a session to get to know each other, and if you desire, schedule your ceremony.

Once you've booked

◊During our first session after booking, (2 of 4), couples will be provided with a Wedding Planning Manual (including many vow options), as well this session will allow the opportunity for me to appreciate

more about you both, your relationship, and how you envision your ceremony.

◊Our third session together is a check in and follow up from session two, and an opportunity to discuss your unique ceremonial details.

◊Our fourth session is a check in and follow up from session three, confirming and finalizing ceremonial details.

The duration of each session is 30-40 minutes. Video chat sessions are welcome where travel is a challenge.

Session fees: 1st complimentary, \$45.00 per session thereafter.
